ProFire Bravo Kamado Grill Features & Benefits

Ceramic Fire Sleeve, Fire Bowl & Cast Iron Grid

1" thick ceramic walls along with large inside diameter allows for better heat retention and more even heat distribution.

Commercial-grade Stainless Steel Bands, Hinges, Springs and Hardware Makes the entire grill more resistant to rust.

Stainless Steel Lid Shock Absorber Protects ceramic by softening closure of lid.

Cast Aluminum Top Vent

Solid cast aluminum construction provides no rust durability and complete heat control. Vent is secured to unit and has a sealing gasket to prevent unwanted heat from escaping.

3-1/8" Diameter Stainless Steel Thermometer

One of the largest on the market! The large size of this thermometer makes it easier to read and maintain desired temperature.

Bamboo Side Shelves, with integrated commercial-grade stainless steel utensil holders, are naturally water and mold-resistant adding to the grills overall durability and weather-resistant construction.

Hinged Commercial-Grade Stainless Steel Grid Add charcoal easily without having to remove entire grid.

Stainless Steel Cart

Durable commercial-grade stainless steel stand construction.

Plus, the ProFire Bravo comes fully assembled!
